goldenomega®
EXPERIENCE THE DIFFERENCE

gogummy® Concentrates

Golden Omega offers this delivery solution in alliance with NuMega, an Australian company.

Using NuMega's patented micro-encapsulated technology and the superior quality Omega-3 concentrates from Golden Omega, chewable gummies for children can contain important levels of Omega-3.

ENHANCE THE VALUE PROPOSITION OF YOUR BRAND

- ✓ Boost your existing gummy product by adding up to 100 mg/g EPA+DHA in a 5 g. gummy; "Now with Omega-3".
- ✓ Extend your Omega-3 supplements product line with a good content of EPA + DHA gummy product.
- ✓ Target with your brand this growing segment of the Omega-3 supplement market (children).

GREAT ADVANTAGES

Up to 100 mg/g EPA+ DHA in a 5 g. gummy.

Great tasting.

No fishy odor or taste.

Great solution to give to your children healthy and entertaining daily dose of EPA+DHA.

THE SUCCESS OF YOUR OMEGA-3 PRODUCT
IS OUR MOTIVATION
